Description

The New England Tennis Academy New
Hampshire is designed to provide players
with:

- A training environment that is technically, tactically and physically progressive
- A flexible approach to meet the many needs of tournament players
- College-style practices that balance individual instruction, group training, point play, video instruction, and sports psychology
- An emphasis on footwork, patterns of play, technical proficiency and shaping a player's identity and relative style of play
- Match play throughout the course of the summer

The NETA NH Summer Tennis Camp is open to all current gold, silver and young champion players. All new players must be approved before they can register. All interested new players are encouraged to set up an evaluation with the Academy Director.
