HAMMEL TENNIS CAMPS

Red Ball Revolution Camp

Red Ball Revolution camp is offered to children aged 8 and under, and is designed to provide players with FUNDamental stroke technique, footwork and athletic skills using age appropriate courts, equipment, and low compression balls that allow players to learn to rally and play tennis right away.

Tennis, Swim and Sports Camp

Tennis, Swim and Sports Camp is an all-day program for 9-17 year olds that is designed to provide players with an active and engaging way to spend a summer day through a variety of daily sports and traditional summer camp activities.

TENNIS ACADEMY

New England Tennis Academy

The New England Tennis Academy New Hampshire is designed to provide players with a college style training environment that is technically, tactically and physically progressive. Practices balance individual instruction, group training, point play, video instruction, and sports psychology.

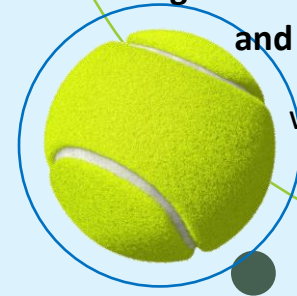

The NETA NH Summer Tennis Camp is open to all current gold, silver and young champion players. All new players must be approved before they can register. All interested new players are encouraged to set up an evaluation with the Academy Director.

Director of Junior Tennis, Nick Wagner:
